Subject: CORA Request

Dear Mr. Kolwicz,

I am in receipt of your CORA request dated 1-5-2012. Unfortunately, we cannot release the documents you have requested as doing so would potentially violate voter anonymity as secured by the Colorado Constitution.

Perhaps you could provide us with more information, specifically more information about your goals related to this request, and then we could see if we can find an alternate approach to fulfilling your request?

Sincerely,
Shelley Bailey
Assistant County Attorney
